

BIM 4: Process, Adoption, & Integration

Course approved for AIA and USGBC Credits

Tuesday, April 11, 2017

8:00 am – 5:00 pm

AGC Georgia Training Center; 1940 The Exchange, Atlanta 30339

Building Information Modeling (BIM) is changing the way projects are constructed. Whether you are a prime contractor using BIM across an entire project or a subcontractor impacted by a specific BIM implementation, this practice requires specific mindsets and technological know-how in order to achieve significant improvements in efficiency and cost control.

In concert with AGC of America, AGC Georgia is pleased to offer the nationally-recognized *BIM Education Program* curriculum to our members. The upcoming BIM 4 course is the fourth in four-part series offered, and is designed to provide a foundation to establish and

execute the BIM process, facilitate its adoption, and achieve integration on a single project and at a company level to execute multiple BIM projects simultaneously.

After completion of all BIM courses and achieving a passing score on the credentialing exam, a candidate earns their CM-BIM credentials.

BIM 4 Course Topics

- Introduction to BIM Process, Adoption and Integration
- Project-Level BIM Implementation
- Company-Level BIM Implementation

BIM 4 Course Learning Objectives:

- Describe why BIM is a disruptive practice today
- Identify reactive and proactive BIM outcomes
- Evaluate and select process options for a specific BIM project
- Describe the roles and responsibilities of participants in the BIM process
- Identify consistent factors influencing BIM Return on Investment at the project and the company levels

After completion of all four BIM units, you are now ready to sit for the optional credentialing exam. It is hosted by AGC Georgia and held in the Chapter's Training Center.

April 20, 2017

May 23, 2017

CM-BIM Credentialing Exam

The Certification of Management–Building Information Modeling (CM-BIM) program is the construction industry's first and only certificate program teaching the practical application of the BIM process for commercial construction firms.

Exam Format and Specifications

Candidates are allowed four hours to complete the CM-BIM credentialing exam. It is composed of 125 multiple-choice questions.

Exam material is derived directly from the four-part BIM Education Program. Below is the percentage of questions asked from each of the courses.

Unit 1 - 6%

Unit 2 - 35%

Unit 3 - 30%

Unit 4 - 29%.

Individuals holding credentials from these organizations earn credits for attending AGC Georgia's BIM 4 course.

The Associated General Contractors of America (AGC) is a Registered Provider with The American Institute of Architects Continuing Education Systems. Credit earned on completion of this program will be reported to CES Records for AIA members. Certificates of completion for non-AIA members are available on request.

The U.S. Green Building Council (USGBC) developed Leadership in Energy and Environmental Design (LEED®) Green Building Rating Systems for different applications, such as New Construction and Major Renovations, Commercial Interiors, Core and Shell, and Homes. The USGBC Education Provider Program has approved the technical and instructional quality of this course.

Attendee Registration

BIM 4 –Process, Adoption, & Integration

Course approved for AIA and USGBC Credits

Tuesday, April 11, 2017

8:00 am – 5:00 pm

AGC Georgia Training Center

1940 The Exchange, Atlanta, GA 30339

(Registration fee does not include required e-book)

REGISTRATION OPTIONS

Register with this form and return via mail, fax or automated email.

If registration is received before March 28

After March 28, 2017

- | | |
|--|-------|
| • AGC Georgia Member - \$220 | \$240 |
| • AGC Georgia Young Leadership Program - \$195 | \$215 |
| • Non-AGC Georgia Member - \$320 | \$320 |

AGC Georgia Members: Save \$20 / person by registering at www.agcga.org (credit card payment required.)

Registrants Need to Purchase the Required Book from Amazon.com

1. Create an account
2. Search for AGC BIM Education Program Unit 4 Participant's Manual
3. Purchase the Kindle Edition by credit card (Cost is \$50)
4. Download the Kindle App (free) to your mobile device.
5. Bring your mobile device, iPad, or tablet with your pre-loaded eBook to class
