**Corps of Engineers - Construction Quality Management for Contractors (CQM)**

October 12 ♦ Atlanta

The Construction Quality Management (CQM) course for contractors is offered to familiarize contractor personnel with CQM concepts and procedures. The requirement is for the CQC System Manager of the principal member of the CQC staff personnel of the contractor on the U. S. Army Corps of Engineers' projects to successfully pass the course.

Topics Covered: What is Construction Quality Management; Contractor Quality Control; Contractor and Government Responsibilities; Contractor's Review; Quality Management Planning; Review and Acceptance; Preconstruction Conference and Coordination; Meeting Submittals; Quality Management During Construction; Three-Phase Control System; Documentation; Testing; Completion of Work; Making the System Work; and, The Resident Management System (RMS).

**Attendees Must Bring a Pen or Pencil for Exam**

**Length:** 1 day, 7:30 a.m. – approx. 5:30 p.m.

**Registration Fee (includes lunch)**

AGC Georgia Member \$219

AGC Young Leader \$200

Non-AGC Georgia Member \$319

**Instructor:** Helane Church  
Ft. Bragg Installation Support Manager

**NPDES Level 1A Fundamentals Certification (Blue Card)**

October 12 ♦ Atlanta

November 9 ♦ Atlanta

The Level 1A Fundamental Seminar is a one-day course ending with the Level 1A certification exam. The course is designed to train contractors, builders, developers, site superintendents, utility and grading contractors, and monitor consultants in the proper installation, maintenance, and inspection of BMP's on construction sites.

Topics covered in this course are fundamentals of erosion and sediment control; the Georgia Erosion and Sedimentation Act; NPDES Permits; maintenance; stream buffers; and vegetative and structural BMP practices.

**Length:** 1 day, 8:00 a.m. - 5:00 p.m.

**Registration Fee**

AGC Georgia Member \$170

AGC Young Leader \$155

Non-AGC Georgia Member \$270

**Instructor:** T. Luke Owen  
NPDES Training

**NPDES Recertification for all Levels**

October 16, 2 p.m. – 6 p.m. ♦ Atlanta

November 2, 8 a.m. – 12 p.m. ♦ Atlanta

*This course is for anyone who has **ever** passed the exam and needs recertification -- including those who have expired cards.*

This erosion and sediment control training course is designed to provide recertification for attendees wishing to maintain their Georgia erosion control certification for Level 1A, Level 1B and Level II. Secondly, the erosion control course provides a practical, interactive classroom environment that allows the attendee to become knowledgeable of the USEPA, GAEPD requirements, NPDES General Permit changes, state waters requirements, and the resources and methods available to be in compliance with the local land disturbance permit. The NPDES Training course offers individuals time to ask questions, discuss challenges and get good solid answers.

**Length:** 1/2 day

**Registration Fee**

AGC Georgia Member \$110

AGC Young Leader \$100

Non-AGC Georgia Member \$210

**Instructor:** T. Luke Owen  
NPDES Training Institute

**\*\*Note – this course is also available on-line.**  
Contact [parham@agcga.org](mailto:parham@agcga.org) to register.

## Basic Blueprint Reading

October 15 and 16 ♦ Atlanta

This course offers not only the basics of blueprint reading, but also the fundamentals of construction methods that make blueprint reading meaningful. The course is designed for office personnel, foremen, superintendents, and anyone who desires a basic knowledge of construction drawings. This course will offer basic descriptions of pictorial drawings, construction materials, construction specs, how to use a scale, and reading plot plans. It will also cover the basics of print reading for concrete footings, structural steel framing, welding, unit masonry construction, framing and finish, plumbing systems, air conditioning systems and electrical systems.

Registrants need to bring a yellow highlighter and an architectural scale.

**Length:** 2 days, 8:00 a.m. - 4:00 p.m.

### Registration Fee (includes lunch)

AGC Georgia Member \$285

AGC Young Leader \$259

Non-AGC Georgia Member \$585

Instructor: John Devine

John Devine Consulting, LLC

## Georgia Lien Law

October 22 ♦ Atlanta

Everyone in the construction industry, from owners and contractors to subcontractors and vendors and industry attorneys need to understand the requirements to effectively protect their property from liens and/or enforce lien rights going forward.

Topics for discussion include:

- Time for Filing a Lien
- Lien Language
- Lien Filing Procedure Changes
- Time for filing Suit ("lien action") on the Lien
- Notice to Contractor Procedure
- Language for the Interim Waiver and Release Upon Payment and the Waiver and Release Upon Final Payment
- Affidavits of Non-Payment
- Notice of Contest of Lien
- Lien Discharge Bonds

**Length:** ½ day, 8:00 a.m. – 12:30 p.m.

### Registration Fee (includes continental breakfast)

AGC Georgia Member \$129

AGC Young Leader \$119

Non-AGC Georgia Member \$229

Instructor: S. Gregory Joy

Smith, Currie & Hancock, LLP

## OSHA 10-Hour for Construction

November 1 and 2 ♦ Atlanta

OSHA requires a contractor to have a competent person on-site to qualify for Focused Inspection. This safety course is designed to help contractors develop safety and health competent persons for their job sites. The competent person will learn to recognize potential hazards in construction before an incident occurs. Plus, individuals will be able to identify and implement abatement techniques for hazards found on the site.

The course covers the following topics:

- Fall protection
- Excavation and trenching safety
- Electrical safety
- Hand and power tool safety
- Personal protective equipment
- Heavy equipment safety
- Fire prevention and protection
- Hazard communication
- Recordkeeping
- OSHA's Focused Inspection Initiative

**Length:** 2 days, 7:00 a.m. – 1:00 p.m.

### Registration Fee (includes 1926 OSHA Manual)

AGC Georgia Member \$205

AGC Young Leader \$186

Non-AGC Georgia Member \$305

Free for participants of [CompTrust AGC Mutual Captive Insurance Company](#)

Instructor: Philip Greisen

PROSAFE Solutions, Inc.
