

AGC Membership

AGC Georgia general and specialty contractor members can take advantage of our workers' compensation program and our multiple employer retirement savings plan.

Retirement Plan - [Learn more](#)

Enrolling in AGC Retirement Savings Plan can save firms several thousand dollars per year because our plan eliminates costs related to individual firm audits and administration. We help take over the arduous task of fund monitoring, thus removing fiduciary liability from business owners. Currently, over 5,000 covered employees from more than 60 member firms have \$105 million invested with the AGC Retirement Savings Plan.

A.M. Best A (XI) Workers' Compensation - [Learn more](#)

CompTrust AGC Mutual Captive Insurance Company (MCIC) is available to many general and specialty contractor firms that are members of AGC Georgia. This workers' compensation program offers coverage in 50 states and is backed by A.M. Best A (XI) and S&P A+ ratings. Member firms insured by CompTrust also qualify for the opportunity to receive an annual dividend, periodic complimentary safety training and site inspections, and training by our site safety van program.
