

Meet Tanya Morea, a Baton Rouge native who now calls Marietta home. With a background in the mortgage industry, she transitioned to the dynamic team at AGC Georgia in early 2024.

Outside of her professional endeavors, Tanya finds solace and adventure in various pursuits. You might catch her conquering the heights of Kennesaw Mountain, immersing herself in the vibrant atmosphere of sporting events and festivals, or indulging in culinary delights at new dining spots around town. Notably, she has embarked on the daunting 29,029 Challenge (29,092 ft vertical hike, equivalent to Mt. Everest). She has recently participated in two climbs, one in Jackson Hole and the other in Idaho. Inspired from the remarkable feats of Jesse Itzler, Marc Hodulich and Colin O'Brady, the founders of the 29029 challenges.

When it comes to leisure, Tanya's cinematic preferences sway towards heartwarming rom-coms like "P.S. I Love You" and "Along Came Polly," while also relishing the thrill of action-packed films such as "Top Gun: Maverick." Musically versatile, she enjoys Yacht Rock, 80's hits, Christian tunes, and country melodies.

In her quest for relaxation, Tanya dreams of warm, sun-soaked destinations, with Greece holding a special place in her heart. Her cherished family includes a devoted partner of 15 years, a lovable English Bulldog/Pug mix, and a daughter who recently graduated Cum Laude from Kennesaw State University.

Beyond her personal passions, Tanya finds fulfillment in giving back to her community through active involvement with her church. Eager to expand her network, she looks forward to connecting with you on LinkedIn at @Tanya Morea.
