Do you seek to be successful in all parts of your life, especially your business? During his forty-six-year career with Lanier, the author rose from an entry-level repairman to the Chairman and CEO of the company. During his tenure, the revenues grew from \$2 million to \$1.4 billion. In *From the Shop Floor to the Top Floor: Releasing the CEO Within*, author Wes Cantrell not only offers a fresh look at realizing purpose and finding success in life, but he shares how Biblical beliefs can change your thinking about the relationship between God, success, wealth, and you. Cantrell maps his journey from the shop floor to the top floor with personal examples and lessons that he learned along the way.
