Many superintendents and foremen enjoy the outdoors, and this year's Ron Amerson Award Ceremony was redesigned with them in mind! Be sure your company takes time to nominate your jobsite supervisors for a Ron Amerson Supervisors' Award by February 3, 2017. Visit <http://www.agcga.org/SafetyAwards> for nomination information.

After nominating your supervisors, make plans for them to come early for a friendly competition in the gun range, followed by lunch and award presentations. *Only award recipients are invited* to take a turn in the range to see who has the best shot. It's their big day, and this reward is a small token of our appreciation for the tremendous job they do to keep jobsites safe! ***The winner of the range competition receives a \$500 gift card!***

Executives, safety directors and project managers who work with the honorees are encouraged to attend! ***Safety starts at the top***, and what better way to tell your field supervisors you are proud of and appreciate their dedication to a safe jobsite than by being present when they receive an award!
