Mike Dunham, Georgia Branch, AGC's EVP, is eager to visit with members across the state and share the Chapter's 2012 Legislative Agenda and how each issue impacts your firm. The 2012 Georgia General Assembly convenes January 9 and Mark Twain's line sums it up best, "No man's life, liberty, or property is safe while the legislature is in session."

Other topics of importance Mike will speak about include the state's pending T-SPLOST referendums and compliance with new vendor lobbyist requirements. The Chapter is also very engaged in several court cases that are critical to the future of Georgia's construction industry. Do you have all the facts regarding these important issues? Don't be the last to learn about this hard-hitting information; register today for a meeting near you!

Mark your calendar for additional AGC programs and opportunities. For more details, visit [www.agcga.org](http://www.agcga.org).
