

## AGC OF AMERICA SAFETY AWARDS CRITERIA

In order for an AGC member to receive a National AGC Safety Award (NASA), it must meet the following criteria:

Home chapter office is Georgia

Has participated in the NASA Program for 3 consecutive years

Must have submitted information to AGC of America by January 28, 2005

In order to receive a AGC of America Zero Incidence Rate Award, an AGC member must meet the following criteria:

Home chapter office is Georgia

Has participated in the NASA Program for 3 consecutive years

Must have submitted information to AGC of America by January 28, 2005

Must have a zero lost workday cases incidence rate for the year 2004

In order to receive a AGC of America Certificate of Commendation for 25% Below Division Incidence Rate, an AGC member must meet the following criteria:

Home chapter office is Georgia

Has participated in the NASA Program for 3 consecutive years

Must have submitted information to AGC of America by January 28, 2005

Must have a 25% below average in each division for the preceding 3 years

## GEORGIA BRANCH, AGC SAFETY AWARDS CRITERIA

Georgia Branch, AGC awards are eligible to all Georgia Branch, AGC members with job-site labor.

Georgia Branch, AGC First, Second and Third Place Awards are based on lowest incidence rates and highest numbers of work hours presented by groups listed according to size.

General Contractor and Associate Members with Zero Incidence Rates are recognized by AGC of America or if they were not recognized by AGC of America for reasons which include: (1) company's home chapter is not Georgia; (2) has not participated in the NASA program for 3 consecutive years; or, (3) did not submit its information to the AGC of America office prior to January 28, 2005. The Outstanding Safety Performance Award recognizes a Georgia Branch, AGC firm who has demonstrated the best, overall safety performance in the year 2004.
