The Georgia Branch, AGC Young Leadership Program (YLP) is hosting a Legislative Luncheon and Forum to help all members gain a better understanding of the Chapter's role in representing the construction industry before the state's General Assembly. The day's activities include networking with fellow members, followed by a luncheon and then comments from invited guest, the newly appointed Secretary of State Brian Kemp, and Georgia Branch, AGC's Director of Governmental Affairs, Mark Woodall. Hear first-hand how Georgia's legislative process works and how it impacts you and your company. After the luncheon, attendees are invited to join Mark at the Capitol to watch our legislative leadership in action. While we are at the mercy of the day's legislative schedule, there will most likely be a chance to see the House and Senate in session, attend a committee meeting and visit informally with legislators from across the state.

All industry professionals, regardless of membership in the YLP, are invited to attend this program. Please see registration options shown below for pricing. Lunch is included for all participants. ***There are limited seats available for this event.*** Register as soon as possible as we assign seats on a first-come, first-serve basis.

Registration: Complimentary for YLP members; \$30 for each representative of a Georgia Branch, AGC member firm NOT enrolled in the YLP. **All complimentary registrants who fail to attend will be charged \$30.**
