WHY IS CONTRIBUTING TO PAC SO IMPORTANT?

CHAPTER MEMBERS SAY IT BEST!

"Your PAC Investment Pays Off! Prior to the successful efforts of the AGC to modify our lien laws my firm had paid over \$100,000 in dual payments to secondary subs when our prime sub failed to pay their vendors. Since the passage of the Notice to Contractor requirement we have been able to limit the 'universe' of second tier lien right holders and our firm hasn't lost a dime to this issue since!"

Roger Huggins, Rogers Construction Company

"The change in the tax law sponsored by AGC will save my company \$25,000 - \$30,000 a year in payroll, copying and mailing costs and a great deal of time in explaining the law to subcontractors who have never heard of it."

Bud Hollingsworth, Venture Construction Company
