

How to join an AGC e-Forum

The AGC e-Forums are topic-focused listservs you may join to communicate with fellow members.

Ask questions, provide information, and share relevant news.

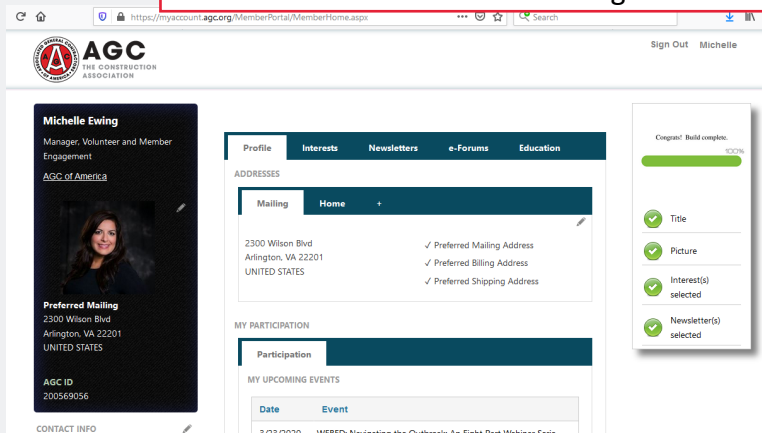

Join the discussion today in 3 easy steps!

Step One

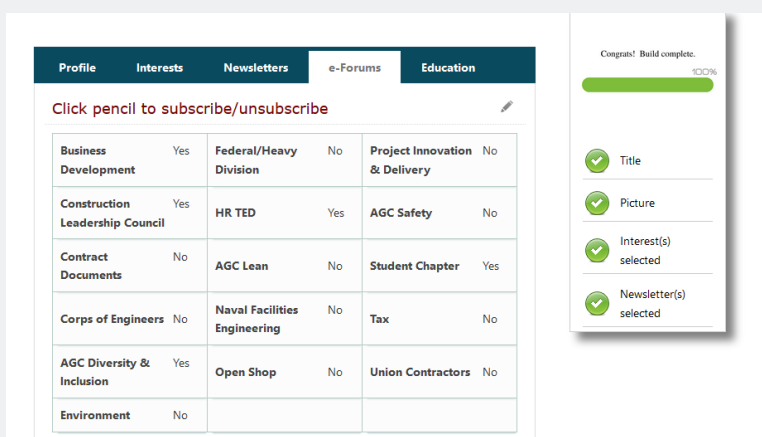

Visit www.agc.org and log in using your email address and password. Click on **My Account** (on the top left.)

AGCGA Note: Credentials for agc.org are different than agcga.org. If you don't have an account for agc.org, simply press REGISTER in upper left corner of www.agc.org and complete form to be added to the national association's database to gain access to valuable e-Forums.

Step Two

From your profile, click on the **e-Forums** tab. (While you're here make sure your contact info is accurate.)

Step Three

Click on the 'pencil' to subscribe to the e-Forums you would like to participate in and click save.
