

AGC Georgia and ACEC invite you to attend the

20th ANNIVERSARY **BUILDING GEORGIA**

Legislative Breakfast at the Capitol

The Associated General Contractors of Georgia (AGC Georgia) and American Council of Engineering Companies of Georgia (ACEC) are excited to host an event for our members to visit with legislators and other state leaders in the Rotunda. We need your support to demonstrate that the construction industry means business while *Building Georgia*.

This program is a great time for the building community to showcase our collective voice while educating state decision makers on our programs promoting workforce development; leadership and professional development; safety and education; and infrastructure investment.

Together with ACEC, AGC Georgia will extend an invitation to all legislators, statewide elected leaders and construction-related state agency representatives to join us. We also encourage you to personally invite your legislators to join you for this continental breakfast.
