Many superintendents and foremen enjoy the outdoors, and this Amerson Supervisor Safety Award Ceremony is designed with them in mind! Be sure your company takes time to nominate your jobsite supervisors for an AGC Amerson Supervisor Safety Award by February 3, 2020. Visit www.agcga.org/SafetyAwards.

AGC
AMERSON SUPERVISOR
SAFETY AWARD

After nominating your supervisors, make plans for them to come early for a friendly competition in the gun range, followed by lunch, a keynote presentation by Aimee Copeland who has had all her limbs amputated after a tragic accident. She will speak to participants about *Courage Through Chaos*. The Amerson Supervisor Safety Award ceremony will close our day's activities.

Only award recipients are invited for a turn in the range to see who the best shooters are. It's their day, and this reward is just a token of our appreciation for the great job they do to keep jobsites safe! **Prizes will be awarded!**

Executives, safety directors and project managers who work with the safety honorees are encouraged to attend! Safety starts at the top, and what better way to show your field supervisors you are proud of them and appreciate their dedication to a safe jobsite than by being present when they receive an award!

AGC
SAFETY LEADERSHIP
AWARD

Don't forget to nominate the one field leader from your company who went above and beyond in 2019 to the Safety Leadership Award program. Learn more at www.agcga.org/SafetyAwards.
