About the host facility: Governors Gun Club's Kennesaw location features an indoor shotgun field, 32 pistol and rifle rated shooting lanes, 100-yard indoor rifle range, 30-yard indoor archery field, virtual archery and firearms training simulators.

*****All participants will be required to sign an event waiver. Masks are to be worn at all times except when not socially-distanced with those you are visiting with and when you are seated for lunch. We will have masks available for anyone who needs one. AGC Georgia will follow all health and safety guidelines mandated by Governors Gun Club. *****

Many superintendents and foremen enjoy the outdoors, and this Amerson Supervisor Safety Award Ceremony is designed with them in mind!

To be sure we can accommodate everyone in a socially-distanced environment, we've moved to a new location for this year's event!

Please make plans to help us recognize field leaders who were nominated for the Amerson Supervisor Safety Award and our winner of the Safety Leadership Award with a fun outing at Governors Gun Club in Kennesaw. We'll have a new pair of safety sunglasses for all Amerson award recipients along with more giveaways from vendors.

Only our award recipients are invited for a turn in the range to see who the best shooters are. It's their day, and this reward is just a token of AGC Georgia's appreciation for the great job they do to keep jobsites safe! **Prizes will be awarded!**

After the range activities, we invite everyone to join us for networking with our exhibitors and then enjoy lunch and the award program.

Executives, safety directors and project managers who work with the safety honorees are encouraged to attend! Safety starts at the top, and what better way to show your field supervisors you are proud of them and appreciate their dedication to a safe jobsite than by being present when they receive an award!

**AGC
AMERSON SUPERVISOR
SAFETY AWARD**

Amerson Awards are given to supervisors representing general and specialty contractor firms who managed their 2020 jobsites with no lost-time incidents.

**AGC
SAFETY LEADERSHIP
AWARD**

The Safety Leadership Award is given to one field supervisor, who is also an Amerson award recipient. The winner's firm completed a narrative explaining their commitment to going above and beyond in keeping their jobsite team and the public safe. The recipient of this award will be announced on April 23.

Please consider one of the following ways to get involved and show your firm's commitment to safety leadership!
