Statewide Tour Focused on Celebrating Jobsite Safety Excellence

Executives, safety directors and project managers - YOUR presence matters! Safety starts at the top. Show your field supervisors how much you appreciate their commitment to a safe jobsite by celebrating with them as they receive their well-earned awards during one of the events that AGC Georgia will host around the state.

This series of ceremonies honors AGC Georgia contractor members' *Best of the Best* field leaders, nominated for the **Amerson Supervisor Safety Award**. We'll also recognize honoree(s) for the prestigious **Safety Leadership Award** during the events.

AWARD

Everyone is welcome! There are NO restrictions on participation at any of the events' safety ceremonies or the fun activity planned after each award program. Bring the whole office and make it a great day for your team! Don't miss these opportunities to recognize safety leadership and enjoy a day of celebration.

Note: If you have jobsite leaders who want to accept their awards at the **Metro Atlanta Safety Ceremony** on Friday, March 14, 2025, visit www.agcga.org/calendar for details.

Check out the dates for this upcoming series and sign up for an award ceremony and the fun activity offered at a location near you!
