### *President's Tour across Georgia with Joe Tuggle*

AGC Georgia's 2024-2025 President, Joe Tuggle, is looking forward to visiting with you in your local community and learning how AGC Georgia can better serve you and your team.

The President's Tour events are great opportunities for you to invite a friendly competitor or a project team member who is not already active in AGC Georgia to learn more about the association's benefits. Please plan to join us at one of the open discussions near your office or a jobsite!

Mike Dunham, AGC Georgia's CEO, will join Joe on his tour. They look forward to learning what's happening in your local market, getting your reaction to proposals up for debate in the 2025 session of the General Assembly, and having an open conversation about how AGC Georgia can be of service.

**Join us for an update from  
Joe Tuggle and an open  
discussion on how  
AGC Georgia can  
serve you and your team!**
