President's Tour across Georgia with Mike Macon

AGC Georgia's 2025-2026 Board of Directors President, Mike Macon, looks forward to visiting with you in your local community and learning how AGC Georgia can better support your team. Each stop on the President's Tour will include a brief State of the Union highlighting key 2025 accomplishments, what's ahead for 2026, and specific ways your team can engage in upcoming programs and resources to maximize the value of your membership.

Mike Macon; SVP/Business Unit
Leader with Balfour Beatty;
2025-2026 AGC Georgia President

These gatherings are also great opportunities to invite a friendly competitor or project partner who isn't yet active in AGC Georgia. We'd be honored to host anyone you invite to experience firsthand the value of being part of our statewide community. Local conversations allow others to see the association's benefits while strengthening relationships within your own organization.

AGC Georgia's new CEO, Zach Fields, is joining President Macon on the tour. He's excited to begin his tenure leading the AGC Georgia team and to work with members across the state to build on the association's strong foundation for the benefit of all member firms.

*****Full details, registration information, and event locations are available by visiting the "Calendar" link at www.agcga.org. *****

**Join us for an update from
Mike Macon and an open
discussion on how
AGC Georgia can serve
you and your team!**
