

Safe+Sound Week

August 13–19, 2018

www.osha.gov/safeandsound

How Leadership's Strong Commitment to Safety Makes a Strong Business

Complimentary Registration

Each workshop will be offered at the following locations/dates 8:00 a.m. – 11:30 a.m.

- **August 14** – Associated General Contractors of Georgia Training Center
1940 The Exchange, Atlanta 30339
- **August 15** – Georgia Northwestern Technical College
Gordon County Campus Conference Center, Bldg. 400, Rm 122A, Hwy. 53 Spur SW, Calhoun

This seminar is designed to raise awareness and understanding of the value of the three core elements of an effective safety and health program. These core elements include **management leadership, worker participation** and a systematic approach to **finding and fixing hazards** in workplaces. Also, the presenters will discuss recent fatality investigations conducted by OSHA in Georgia, the free services available through the Georgia Tech On-Site Safety and Health Consultation Program and the outstanding work Kid's Chance of Georgia is doing for the children of Georgia's injured workers.

Why Attend? Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in this safety seminar can help get your program started or energize an existing one.

Who Should Attend: Business owners/managers/safety personnel of small to medium size companies wanting to start or improve their company's safety and health program
