

THE LEADING PULL PLANNING BOOT CAMP

Learn to DO it right!

PULL PLANNING A LEAN COACHES BOOT CAMP for Superintendents and Foremen

October 4, 2018
7:30 AM – 5:00 PM
Hosted By
AGC Georgia – 1940 The Exchange, Atlanta, GA 30339

COACHES

Rich Seiler / Unified Works, Inc. / unifiedworks.com
Learn how to get the right work done right the first time.

Brent Darnell / Brent Darnell International / brentdarnell.com
Learn how to impact leadership, teamwork and increase profit.

PROGRAM OVERVIEW: This workshop is customized for superintendents and foremen of both general and trade contractors who want to learn the right way to productively lead and collaboratively participate in the *Last Planner System*.

We will teach you proven, sound techniques and critical leadership behaviors that you need to pull planning effectively and create steady workflow on your projects. In other words, we'll help you eliminate the aggravation of rework and waiting around to perform your work.
