INSTRUCTOR: MARK ROUNDS

He has over 40 years of experience in the construction industry holding positions as laborer, superintendent, project engineer, estimator, senior project manager, and vice president. His project experience includes Healthcare, Education, Commercial, Retail, Water and Wastewater Treatment, Bridges and Heavy Construction. He has worked in several markets including Wisconsin, Illinois, Colorado, Arizona, Virginia, and the Carolinas. Mark is a graduate of the University of Wisconsin Madison in Civil and Environmental Engineering and is a registered Professional Engineer in Wisconsin. He is an Assistant Professor at MSOE. He received the Daily Reporter's Educator of the Year award in 2018 for his work teaching in the construction industry.

The Project Manager Development Program Plus (PMDP+), is designed to specifically meet the needs of the construction industry. The curriculum, along with the activities and shared experiences of course participants, provides the necessary skills and knowledge to increase the participant's ability to work successfully with others to ensure project success. Additionally, the AGC of Wisconsin has included a special "Leadership" module, which is a key component to project management.

The 48-hour five-unit program covers the basics of project management and provides tactics and strategies for ensuring project success. Each course listed below consists of 8 hours of remote instruction. *(AGC recommends taking each unit in order)*

- | | |
|---------------------|--|
| • April 15-16, 2021 | Unit 1: Intro to Project Management & Leadership |
| • May 20, 2021 | Unit 2: Initiating and Planning (Part 1) |
| • May 21, 2021 | Unit 3: Initiating and Planning (Part 2) |
| • June 17, 2021 | Unit 4: Executing |
| • June 18, 2021 | Unit 5: Monitoring, Controlling and Project Closeout |

HERE'S WHAT CURRENT PMDP(+) LEARNERS ARE SAYING.....

"Mark is one of the best speakers I have seen in my 30 years of attending programs in leadership and construction management."

"Thank you for putting this class together and helping us become future leaders in the construction industry. I love the fact of having people from all over the county joining us and bringing in their experiences. Mark is a great teacher and speaker. Again THANK YOU!!!!"

AGC of Wisconsin Registration Cancellation Policy: AGC of Wisconsin incurs direct and indirect expenses in planning and presenting workshops, seminars, conferences, golf outings and dinner meetings for its members. These costs include promotion, speaker fees, travel, textbooks, meeting space, food and beverage. When registrants fail to provide timely notice that they will not attend an AGC of Wisconsin event for which they have registered, these costs must still be paid. In fairness to all registrants, the following policy has been adopted: Unless otherwise stated on the registration form, the registration fees will be credited in full, if notice of cancellation is made at least five (5) business days prior to the date of the event. If notice of cancellation is made less than five (5) business days, but more than 24 hours in advance, then twenty-five percent (25%) of the registration fee will be refunded. No refund will be made for cancellations received within 24 hours of the event or after the event. You may avoid the cancellation penalty by transferring your registration to another person. Notice of cancellation should be made to the AGC of Wisconsin by phone (608/221-3821); fax (608/221-4446) or by e-mail (jackie.troia@agcwi.org). In the event that AGC of Wisconsin is forced to cancel an event, any non-recoverable costs associated with the registration will be considered before issuing reimbursement. These costs will be deducted from the amount eligible for reimbursement. The full or partial reimbursement of registration fees charged in accordance with this policy will be considered on a case-by-case basis.
