

# Lean Bootcamp

High-Level Pull Planning Lesson for Superintendents & Foreman

*Transforming Teams with Smart Lean*

## Overview

This workshop is designed for superintendents and foremen from both general and trade contractors.

1. Learn the right way to productively lead and collaboratively participate in the Last Planner System.
2. Learn proven, sound techniques and critical leadership behaviors to implement pull planning effectively and create steady workflow on your projects.
3. Learn how pull planning eliminates the aggravation of rework and waiting around to perform your work.

Participants will learn and practice 10 proven techniques developed from over 1,000 pull planning sessions that were rooted in the latest cognitive science of high-performing teams.

Walk away with a complete set of customized tools and instructions to lead projects and train your team from kick-off to close-out:

- PowerPoint, handouts, templates, and exercises for instruction
- Strategies to create trust, cooperation, and buy-in
- Techniques to build high-performing teams
- Big Room Tools
- Play Book instructions
- Personal assessments
