

Project Manager Development Program

Highly interactive program geared toward beginner construction project managers or those looking to move into this role

"As an Asst. PM, I learned a great deal about what to expect on future jobs as well as many soft skills tips from the instructor and others in the course."
- testimonial from participant in the Fall 2022 course

About the Course

PMDP, created by AGC of America, is designed to specifically meet the needs of industry.

Course curriculum, activities, and shared experiences of course participants provides valuable skills and knowledge that will increase participants' ability to work collaboratively with others to ensure project success.

The five-unit program covers the basics of project management and provides tactics and strategies needed for today's evolving construction marketplace.

Note: Textbooks are not included in the course price. Participants MUST purchase each of the 5-unit books. You may purchase either an e-book for \$50 or hard copy for \$163.90.

Follow the steps below to make your e-book or hard copy book purchase.

1. Login or create an account [AGC of America's Marketplace](#)
2. Click on Curriculum, then PMDP
3. Click participant manuals and choose e-book or print book

***This course is geared toward beginner construction project managers and those moving into the role in the near future.**
