

YOUR PATHWAY TO BECOMING NFPA 70E COMPLIANT!

THE NEW 2024 STANDARD FOR ELECTRICAL SAFETY IN THE WORKPLACE

The New 2024 NFPA 70E Edition is here and along with NFPA 70B the new STANDARD for Electrical Equipment Maintenance will be in effect on January 1, 2024. It is critical that your company is up to date with these new editions.

WE OFFER CONTINUING EDUCATION CREDITS

Each year electrical dangers in the workplace cause hundreds of deaths and thousands of injuries. NFPA 70E STANDARD FOR ELECTRICAL SAFETY IN THE WORKPLACE is the key to reducing liability and avoiding loss due to electrical incidents. Our clear, authoritative training and instruction class teaches you how to apply the newest edition of NFPA 70E to assess electrical risks and reduce employee exposure to potentially deadly hazards.
