Political Action Committee

Support AGC Georgia's Political Action Committee by purchasing raffle tickets for a chance to win a Beretta A300 Outlander (camo). **The drawing will be held on October 7 at the AGC Georgia Sporting Clays Fundraiser in Dawsonville at Etowah Valley Sporting Clays. You do NOT have to be present to win.**

AGC Georgia PAC supports pro-business candidates seeking election to Georgia's General Assembly or statewide office. It's important to recognize how legislative actions significantly impact our industry. The mission of AGC Georgia PAC is to support the election of pro-business officials who objectively listen to our concerns, understand them and act accordingly.

The A300 is made of the proprietary steel blends that have made Beretta shotguns famous for their durability. The Mobilchoke barrel is designed to shrug off the pounding of heavy hunting loads, giving you a long-lasting tool that will work as hard as you need it to. But in spite of its toughness, the A300 is light, feels lively in the hands and easily follows your eyes to the target, thanks to the low-profile action. And its impeccable balance makes it feel even lighter than its 7.25 lbs, meaning that this attractively-priced shotgun will give you premium shootability in spite of its unbeatable value.
