WHAT IS THE AGC GEORGIA EXECUTIVE ALLIANCE?

EA Vision

The vision of AGC Georgia's Executive Alliance (EA) is to provide networking opportunities and educational programs that promote collaboration and diverse discussions among professionals while developing them into highly skilled and informed leaders.

EA Mission

Guided by the AGC Georgia core values of skill, integrity and responsibility, the mission of the EA is to create an environment for member collaboration and enrichment in high level leadership.

Who We Are

EA is comprised of senior level representatives, (including those already serving as president/owner) from member firms. This group focuses on a broad range of leadership and professional development topics essential to individuals who currently serve in an executive position or will assume that role in their firm in the foreseeable future.

The EA hosts six events each calendar year, convening on a bi-monthly basis. The \$2,000 EA annual dues, (independent of the sponsoring company's AGC Georgia dues), cover the cost of program speaker/facilitator fees and meals at all events. Spouse/guest registration, travel to and from host venue and lodging costs are not included with EA dues.

Make an investment in your future, your company's future, our association's future, and the future of Georgia's commercial construction industry by enrolling today in EA.
