- Gross Construction Revenue (GCR) includes:
  - All private and public construction work, negotiated or competitively bid, including work done by wholly-owned subsidiaries that are not members of AGC Georgia.
  - Your firm's percentage of participation in joint ventures.
- GCR excludes work done on facilities owned by your firm and/or your subsidiaries.
- For firms failing to provide GCR reports to AGC Georgia, the most current GCR figure available, along with economic trends within the industry, will be a basis for determining dues for the coming membership year.
- This GCR report may ONLY be submitted with the signature of the President, CEO, COO or CFO.

Please take the value provided above and refer to the next page to determine your firm's investment for 2025.
