

You are invited to the

Legislative Breakfast at the Capitol

AGC Georgia is excited to host our **Building Georgia Legislative Breakfast**. This is an event for our members to visit with legislators and other state leaders in the Rotunda of the state Capitol building. We need your support to demonstrate that the construction industry means business while *Building Georgia*.

This program is a great time for the building community to showcase our collective voice while educating state decision makers on our programs promoting workforce development; leadership and professional development; safety and education; and infrastructure investment.

AGC Georgia is extending an invitation to all legislators, statewide elected leaders and construction-related state agency representatives. We also encourage you to invite your legislators to join you for this event.
