Clark Serves in Leadership Roles with Construction Association; Earns Award

Atlanta, GA, June 29, 2015 –The **Associated General Contractors of Georgia** (AGC Georgia) elected **Scott Clark** as the 2014-2016 association secretary last June. This year begins his second term. In this role, he serves on the Board of Directors and is an engaged member of AGC Georgia's five-member executive committee. Clark is President/COO of R. W. Allen, LLC, a diversified commercial contractor providing general contracting, pre-construction, design-build and construction management services. The firm has been an active member of AGC Georgia since 1980.

During the recent convention, Scott Clark was honored with a Volunteer of the Year Award for his active engagement in helping bridge the gap in the commercial construction industry's skilled workforce shortage. Through his leadership, R. W. Allen, LLC representatives make it a priority to visit with many high school construction programs in East Georgia. One of Clark's most significant accomplishments in the past year was the organization of a mock SkillsUSA competition held at the Augusta Fairgrounds in November 2014.

Other officers joining Clark in leading the Chapter's board of directors include Trey Anderson, Anderson Construction Company of Fort Gaines as president; Randy Hall, Batson-Cook Company in Atlanta as vice president; and Kevin Kuntz, McCarthy Building Companies, Inc. in Atlanta as treasurer.

About AGC Georgia

AGC Georgia is a professional trade association and the statewide Chapter affiliated with The Associated General Contractors of America, Inc. (AGC of America). Member firms from around the state perform a majority of the public and private commercial construction work in Georgia and include 525 of the top general contractors, residential/light commercial builders, construction managers, design-builders, municipal-utility contractors, heavy and highway contractors, specialty contractors, service providers, and suppliers. AGC Georgia is one of 94 Chapters representing over 26,000 member firms nationwide. AGC of America is the largest and most respected construction trade association in the U.S.
