NPP is a B2B marketplace where **AGC Georgia** members save on products and services they use every day.

You and your team can access business, employee, and personal discounts through our savings partner, **National Purchasing Partners**. Some of the most popular offers include **Verizon, Office Depot, Staples, Priceline, Batteries+Bulbs, Skechers, and Tirebuyer**.

Many offers provide savings on corporate purchases and to **employees on their personal purchases**.

To create credentials, visit the [AGC Georgia NPP page](#), and click on Join Now. You'll have the option to create either an account to manage your firm's corporate savings or an individual account for your own savings offers.

Once your account is verified through a confirmation email, log in and explore the catalog of offers. NPP membership is a free benefit because your firm is a member of AGC Georgia. There is ZERO obligation to buy if you register for an account.

Should you have trouble with registering for an account or using a discount offer, please contact customerservice@myntp.com or call 800.810.3909. The AGC Georgia team does not have access to the NPP system.
