

**YOU'RE INVITED!**

# SKILLS CHALLENGE

**Georgia**

Associated General Contractors of Georgia's  
High School Construction Competitions  
Build Tomorrow's Workforce, Today.

We are excited to extend a VIP welcome to community influencers such as **middle/high school counselors, WBL and CTAE directors, superintendents, school board/city council members, mayors, state legislators,** and many more!

In 2019, 800+ students representing 60+ schools are expected to compete for bragging rights as they seek to bring a regional Skills Cup home to their school. Typically, another 1,200 students attend as observers and many catch the Skills fever!

Instructors offer glowing feedback on the opportunity to introduce talented young men and women to rewarding career paths in construction.

\*\*\*\*Regardless of whether your school or one in your area is competing, we invite you to bring student observers to learn about construction. If you are unable to bring students, we still hope you'll make plans to attend and see what the hype is all about!

### What can you expect at a Skills Challenge?

View our sizzle reel from the amazing 2018 Series: <https://vimeo.com/310865804>

For more information, please contact Liz Campbell with AGC Georgia at 678-298-4118 or [campbell@agcga.org](mailto:campbell@agcga.org).
