Associated General Contractors of Georgia's **High School Construction Competitions**

- Building Tomorrow's Workforce, Today -

2021 Skills Challenge Series

Gainesville • Wednesday, October 27

Macon • Thursday, October 28

Cedartown • Monday, November 1

Statesboro • Tuesday, November 2

Moultrie • Tuesday, November 9

Marietta • Tuesday, November 16

Augusta • Thursday, November 18

See specific event details on next page.

Students enrolled in your school's construction-related programs and those who are dual enrolled in construction courses are encouraged to participate in the 2021 Skills Challenge series. Those who aren't ready to compete this year are invited to attend as student observers and visit with exhibiting employers to learn about career opportunities.

We also recommend stakeholders in the following positions attend an event to learn more about the importance of construction curriculum -- ♦middle/high school counselors ♦principals ♦CTAE directors ♦WBL coordinators ♦superintendents ♦school board members and all others who are interested in helping students find a rewarding construction career path.
