

YOU'RE INVITED!

SKILLS CHALLENGE

Georgia

Associated General Contractors of Georgia's
High School Construction Competitions
Build Tomorrow's Workforce, Today.

We are excited to extend a VIP welcome to community influencers such as **middle/high school counselors, WBL and CTAE directors, superintendents, principals, school board/city council members, mayors, state legislators**, and many more!

This year we are expecting **800+ students representing 88 schools to compete for bragging rights as they seek to bring a regional Skills Cup home to their school's trophy case.** Typically, another 1,200 students attend as observers and many catch the Skills fever!

Instructors offer glowing feedback on the opportunity to introduce talented young men and women to rewarding career paths in construction.

We hope you'll make plans to attend and see what the hype is all about!

BE OUR GUEST

- ▶ Students compete from **10 am - noon** during each event.
- ▶ Lunch is provided for all registrants.
- ▶ Visit www.agcga.org/skills for details, including **list of schools competing in each region.**

Gainesville	Wed., Oct. 27	Chicopee Woods Ag Center
