SKILLS CHALLENGE

AGC
Georgia

Associated General Contractors of Georgia's **High School Construction Competitions** *Building Tomorrow's Workforce, Today*

MARIETTA • Tuesday, October 25
GAINESVILLE • Wednesday, October 26
MACON • Thursday, October 27

STATESBORO • Wednesday, November 2
MOULTRIE • Tuesday, November 8
ROME • Thursday, November 10

AUGUSTA • Thursday, November 17

See specific event details on next page.

Students enrolled in your school's construction-related programs and those who are dual enrolled in construction courses are encouraged to participate in the 2022 Skills Challenge series. Those who aren't ready to compete this year are invited to attend as student observers and visit with exhibiting employers to learn about career opportunities.

We also recommend stakeholders in the following positions attend an event to learn more about the importance of construction curriculum:

- Middle/High School Counselors
- Principals
- CTAE Directors
- WBL Coordinators
- Superintendents
- School Board Members
- Anyone interested in helping students find rewarding construction career paths.

For general information about the 2022 Skills Challenge Series, please contact Alyson Abercrombie at abercrombie@agcga.org or 678-298-4106.
