

Jennifer Morgan, Field Engagement Specialist with AGC Georgia, has called middle Georgia home for most of her life. She and her husband, Richard, raised their now adult sons, Richard IV and Kendall, in the Macon area and at their weekend home on Lake Sinclair. Jennifer still enjoys being in the sunshine and on the water when she isn't at the soccer field cheering on her teenage granddaughter.

Jenifer holds a BA in Business Administration from Wesleyan College. She also teaches an adult Sunday School and serves as a Trustee for her family's home church.
