Camp Trade & Industry (T&I) will be held June 8-10 for CTAE high school programs, including construction and metals/welding, and provide instructors hands-on training. We are asking AGC Georgia members to support their local high school programs and support the “Adopt Your Instructor” campaign which provides the needed funds to hold the camp for construction teachers as well provide industry professionals to train the teachers. All \$100 donations for the “Adopt Your Instructor(s)” campaign should be made payable to the AGC of Georgia Foundation, Inc., a 501(c)3 organization.

Several AGC Georgia members have promised their time to the camp. Brasfield & Gorrie and New South Construction Co., Inc. are working together on the safety portion of the program while Choate Construction Co. is heading up concrete form work. Other companies providing services during the 3 day camp include Argos USA, Pyramid Masonry Contractors, Inc., and Allen & Graham, Inc. If you are interested in contributing your expertise or funding, please contact Bill Chambless, AGC Georgia Member Services Specialist, at chambless@agcga.org or 478-972-5865.
