JOINING THE YOUNG LEADERSHIP PROGRAM AT AGC GEORGIA COULD BE ONE OF THE MOST IMPORTANT PROFESSIONAL DECISIONS EVER MAKE.

High school students show off their construction skills during preliminary competitions leading to the **SkillsUSA National event**. YLP raises funds to cover travel expenses of Georgia students who earn the right to compete nationally. Skills competitions help increase interest in the construction trades generally, as well as help teach students skills they can use professionally.

YLP participants can't stop talking about how much they benefit from the program, and some even fudge their birthdates to stay in the program "just one more year" after they turn 40.

So what does YLP do?

YLP is all about developing the next generation of strong industry leaders. We start with young professionals who will someday run the companies that make up the AGC membership.

Then the program offers educational opportunities, provides a way to give back to the community, helps you build a vibrant network of peers and develops the specific skills necessary to tackling your next career challenge.

EDUCATION

As a YLP member, you'll enjoy reduced registration at either the Fall Leadership Conference or the Annual Convention.

You'll be eligible to organize, host and attend roundtable forums on timely topics. YLP members select topics and speakers of particular interest to them. You'll also have access to AGC conferences and classes throughout the year.

CHARITABLE PROJECTS

YLP members make a difference in their communities with a variety of charitable projects. In nearly two decades, we have raised and donated almost a million dollars.

Among our initiatives, we have:

- **helped** high school construction students compete at SkillsUSA National
- **provided** toys and clothing to children in the hospital during the holidays
- **offered** scholarships to graduate and undergraduate students
- **packed** care bags with socks, coloring books and reading materials for seriously-ill children at Children's Healthcare of Atlanta and Cancer Treatment Centers of America.
- **renovated** the Georgia Center for Child Advocacy
- **donated** to a program moving women and children from poverty to self-sufficiency

This is just a short list of some recent projects we've undertaken. You can see a more extensive list on page 4.

How do we pay for it?

FUNDRAISING

We raise money with an annual Golf Classic and a Sporting Clays Tournament – recently, more than \$92,576 in one year. The AGC Foundation, a tax-exempt 501(c)(3) entity, manages the money for us. Donations are generally tax deductible.

YLP members solicit donations and promote participation in the events. You can volunteer for jobs at the best level of commitment for you – from leading one of the organizing teams to helping out with details during the events.

YLP COUNCIL

The YLP Council governs all of our activities, and the program relies heavily on YLP members volunteering their time, talents and energy to work with Council members to implement YLP activities and the ongoing YLP Action Plan. This plan is designed to ensure the quality growth of the program and an outstanding experience for all YLP participants.

"Not only does my team get to participate in relevant topical discussions with other young construction professional leaders, they also benefit from the networking and relationship building opportunities. This translates into 'best-practice' and 'past-experience' discussions that elevate their construction maturity well beyond their non-participant peers."

Sam L. Smith, CPC, Program Manager, POND

CHARITIES

YLP participates annually in the **Toys for Tots Drive**, sponsored by the Marine Corps. AGC Georgia members have donated thousands of toys in the past decade and have enthusiastically support the project.

“As is typical with construction work in general, I personally value being able to look back and see actual work the YLP both donated and completed that in turn still benefits a family or an organization.”

Jonathan Barden

Vice President of Business Services
Tebarco Mechanical Corporation

In 2018, we gave to the following organizations:

HOW YLP OPERATES

Mission, Vision, Structure

YLP members relax with a “friendly” game of **whirlyball**. This group works hard and plays hard as they build friendships that last a lifetime. If you don’t know about whirlyball, ask a YLP member or alum.

YLP VISION

To become the driving force in the development of tomorrow’s construction leaders.

YLP MISSION

In keeping with the group’s mission, the program provides participants opportunities to:

- Develop and enhance leadership skills
- Build relationships
- Learn more about and increase involvement in AGC
- Stay current on industry trends and best practices
- Make an impact in the community
- Share ideas about daily issues

YLP COUNCIL

The YLP Council is composed of YLP members. It directs and manages the program by working closely with AGC Georgia staff to plan and implement yearly activities. Council members are appointed to serve staggered three year terms. The length of the terms provides members with unique leadership experiences, as well as continuity for the program.

Each year a new Chair and Vice Chair are named to lead the Council. The Vice Chair from the previous year moves into the Chair position and a new Vice Chair is selected. Both the YLP Chair and Vice Chair serve on the AGC Georgia Board of Directors and report on YLP activities. The full Board provides guidance and direction to YLP as needed.

“As past chair, I can say that being involved in the YLP has broadened my horizons. I have grown as a professional. I have forged many friendships. I have worked on charitable projects that I am so very proud of. I have been honored to be a part of such an amazing group!”

Kristen Williams

President
Penco Electrical Contractors, Inc.

Machell Harper, L.B. Kinnett, Gretchen Orrin and Karen Nelson count the money raised for a Foster & Adoptive Parent Association Secret Santa program. YLP raised over \$5,000 for this event alone.

“Through YLP’s educational opportunities and wealth of member knowledge, I have been able to continually increase my industry skillset. This has advanced me personally and aided my company immensely.”

Calvin Pate, LEED AP

Executive Vice President
Harrison Contracting Co., Inc.

YLP ATTRACTS THE BEST AND

YLP COUNCIL MEMBERS

The YLP Council is a select group of young leaders who are appointed to oversee the quality, planning and successful execution of program activities. Working together with AGC Georgia staff, their goal is to ensure an exceptional experience for every participant.

Everyone loves a Marine with a stuffed bear. This bear, and his friends, are on their way to help brighten the holidays for children in the Atlanta area.

"I joined YLP in 2008 and began my involvement in both YLP and AGC. People often say to surround yourself with what you want to become, and I want to become a positive impact in the construction industry. AGC Georgia and YLP have allowed me to surround myself with people that already make and have for many years made a positive impact in this industry."
