At the 2016 AGC of America Annual Convention, the YLP earned a AGC in the Community Award for their efforts on the GCCA renovation.

In 2015, members completed a renovation project at the Georgia Center for Child Advocacy (GCCA). Crews increased the size of an interview room, soundproofed rooms, rewrapped fabric panels, painted, placed new floor and baseboards, and provided new furniture and light fixtures to provide victims with a warmer and more secure experience.

Members donate their time to assist local charities.
