

**AGC GEORGIA
YOUNG LEADERSHIP PROGRAM
SPORTING CLAYS FUNDRAISER**

Please Join Us
FRIDAY, NOVEMBER 8, 2019
The Meadows National Gun Club
1064 Rumble Road, Forsyth, GA

Join us at AGC Georgia's Young Leadership Program (YLP) Sporting Clays Fundraiser on Friday, Nov. 8. Held at The Meadows National Gun Club in Forsyth, it's a great opportunity to network with industry professionals and treat clients and employees to a wonderful fall day at this beautiful property.

This annual event supports the AGC of Georgia Foundation, Inc., a tax-exempt 501(c)(3) organization. Through the diligent efforts of YLP members during the past 20 years, more than \$800,000 has been raised to distribute to charities and organizations that assist children and families in times of need.

To learn more about AGC Georgia's Young Leadership Program, one of the Chapter's flagship services, and the Sporting Clays Fundraiser, please contact:

Machell Harper
Director of Member Services

harper@agcga.org

Your participation in and sponsorship of the Sporting Clays Fundraiser allows the Association's young leaders to continue making an impact through their community service. While at the same time, they are able to increase the public's awareness of AGC Georgia and the importance of the construction industry to our state's economic prosperity.

Fulfilling A Make-A-Wish Dream

A child living with cancer was being granted a Make-A-Wish Foundation request.

AGC Georgia's YLP fulfilled the request by building a complete in-home workshop, equipped with a personalized workbench.

"Thanks to AGC Georgia's Young Leadership Program for partnering with us to grant this child's wish," said Katie Shahzade, Make-A-Wish Georgia's manager of corporate development. "It's because of amazing members of the community like the members of AGC Georgia that we're able to fulfill our mission and the child is able to enjoy a special space that will continue to inspire his dreams for years to come."

Jesse Grant with Tebarco Mechanical Corporation and Adam Bateman with Moore Colson CPAs and Advisors led the project with generous contributions from Penco Electrical Contractors, Inc. and The Home Depot. There were many items donated along with hours of volunteer time to complete the task. The 'Wish' was granted in full and revealed to an amazing young man who is currently in remission from cancer.

Hillside of Atlanta Renovation

Founded on a mission to help children and families thrive by providing residential and community health services for young individuals, Hillside's continued growth and impact on the community required additional offices and meeting space. As important, the organization needed a welcoming and warm space to initially bring children, in order to get them into a safe environment where therapy could begin. It can be very difficult for families and children to seek help, so it's critical that their initial experience is warm and inviting.

The AGC Georgia YLP has had a long-lasting relationship with Hillside and this project was very important to the organization. The team needed to remodel an outdated home by replacing trim, doors, cabinetry, restroom finishes and fixtures, as well as refinishing floors, and updating the fireplace with custom millwork to serve as a focal point.

Along with Hillside's amazing facilities group, YLP was able to accomplish all these updates by providing monetary aid, donated materials, and on-site labor to handle painting, plumbing, and electrical. We enjoyed being a part of this project and wish Hillside continued success as they make a significant impact on families and children.

BENEFICIARIES
