Adulting is not fun all the time, and making sure you have a good, solid estate plan is just one of those things. The two guarantees in life, unfortunately, are death and taxes. We don't want to think about it because it is hard and emotional...which is fair but planning for your death and incapacity is a huge gift to your family and other loved ones. Believe it or not, it also provides peace of mind for you once you are done!

Amanda Riedling is an owner and partner at the Georgia Wills, Trusts and Probate Firm, LLC located in Marietta, GA. Her presentation will include:

- Tips for planning your death including documents you need and why you need them,
- Tips for planning your incapacity,
- Tips for avoiding probate in the event of either, and more!
