**BRAELINN GOLF CLUB**

Peachtree City, Georgia

USING 36 HOLES AT CANONGATE & 18 HOLES AT BRAELINN  
TO ACCOMMODATE OVER 360 GOLFERS FOR THE DAY'S TOURNAMENT

**J**oin us at **AGC Georgia's Young Leadership Program's 23rd Annual Golf Classic on May 4.** This popular event is hosted on 54 holes at two venues. Our primary venue is Canongate 1 in Sharpsburg. Anyone registering after Canongate 1 is sold out, will be assigned to play at Braelinn in Peachtree City. These two courses are 12 miles apart. All golfers playing at Braelinn are invited to the Award Ceremony held at Canongate 1.

Over the years, this event has helped raise nearly \$1,00,000 for worthy causes. We are excited to see participation continue to grow since this translates to more contributions to YLP's Charitable Works fund, which sits inside the AGC of Georgia Foundation. All contributions are tax-deductible with the Foundation's tax-exempt 501(c)(3) status.

Your participation in and sponsorship of the Golf Classic allows the YLP members to continue making an impact through giving back while helping bring awareness to the importance of the construction industry to our state's economic prosperity.

### **Not able to attend this event?**

Regardless of your reason for not being able to join us at the Classic, we are offering an opportunity to still play a round of golf while supporting YLP's charitable efforts!

The YLP Golf Classic always provides a fun atmosphere, and each year the 54-hole event sells out!

Again, this year, organizers have set a goal of earning more than \$100,000 in proceeds to support YLP's Charitable Works fund inside the AGC Georgia Foundation. In addition to annual giving YLP provides charities during the holidays, Council members seek out larger-scale construction projects. This summer, the group will take on an ambitious one with Hillside Atlanta. Learn more below.

AGC Georgia's YLP has been a loyal supporter of Hillside Atlanta for more than two decades. Recently, leaders from the therapeutic treatment center for children reached out for assistance with a new greenhouse project which will allow Hillside therapist to use horticulture therapy with a majority of their patients.

For children with mental health and behavioral challenges, spending time in a garden gives them the opportunity to put into practice life and social emotional skills being taught in therapy. Sowing seeds, caring for plants and cooking with vegetables that they have grown offers multiple levels of learning for children. They practice patience for seeds to sprout, learn resilience when something doesn't grow and they must start again and experience a sense of achievement when they cut flowers or cook food they have grown.

A portion of the proceeds from the 2022 YLP Golf Classic will be designated for the Hillside Green House construction project.
