# AGC Georgia MARKETPLACE

WEDNESDAY, NOVEMBER 17, 2021

4:00 PM – Industry Update from Washington, D.C.

4:30 PM – Marketplace Opens

Sonesta Gwinnett Place Atlanta  
1775 Pleasant Hill Rd., Duluth 30096

Join us for hors d'oeuvres at the **AGC Georgia Marketplace**. It's a great time to visit in a relaxed environment with industry friends and make new connections that can lead to business opportunities. We are expecting dozens of industry exhibitors, including general and specialty contractors, suppliers and service providers.

Prior to the Marketplace, **AGC of America's Jimmy Christianson, Vice President, Government Relations** will present *The Good, The Bad and the Ugly: A Construction Industry Insider Update from Washington, D.C.* -- Believe it or not, there's both good and bad news for the construction industry coming from D.C. In 2020, AGC of America and its chapters worked to successfully make and

keep construction essential in most of the country, fought for the industry's eligibility for Paycheck Protection Program loans, PPP loan deductibility and timely loan forgiveness, and additional resources for infrastructure investment. But 2021 has brought new leadership to D.C., and with it, new opportunities and challenges. Jimmy will share how the sausage is being made when it comes to federal COVID-19 vaccine and testing mandates, the \$1.2 trillion bipartisan (physical) infrastructure bill, and the ~\$3.5 trillion human infrastructure bill, and other policies potentially impacting the construction industry out of Washington.

**NOTE:** AGC Georgia will follow COVID protocols prescribed at the time of the event by the host facility.
