Celebrating our Safest Jobsite Supervisors!

Over 550 of AGC Georgia members' front line jobsite supervisors were nominated for an **Amerson Supervisor Safety Award** in during the recent award nomination process.

Each of these professionals managed their jobsites during calendar year 2020 with no lost time accidents! *What an accomplishment!*

Throughout March and April, David Moody, our association board president, and Mike Dunham, AGC Georgia's CEO, will visit with members and offer an update on the current legislative session and the new regulatory climate.

They are eager to hear how your businesses are doing in these uncharted times, what troubles you are having with material lead times and so much more!

Most of all, they are excited to spend time with our award recipients and congratulate them for their dedication to keeping our state's jobsites safe.

Please find a regional event near your team and make sure your company leadership along with safety professionals and your award recipients are registered to attend.

We will be providing social distancing and following proper protocols, including asking all participants to wear masks when not seated at their tables.

Join us for an update from **AGC Georgia leadership** and help us celebrate **Amerson Supervisor Safety Award recipients!**
